

FWEA - Central Florida Chapter Awards

Call For Nominations

The Florida Water Environment Association (FWEA) Central Florida Chapter wishes to recognize individuals and organizations that have made outstanding contributions to the water environment profession in our area. We are now accepting nominations for the following annual FWEA Central Florida Chapter Awards:

Unique Application of Basic Principles AWARD

Awarded to a member who demonstrates a unique application of basic research or fundamental principles through the design or development of a wastewater collection or treatment system.

Achievement and Service AWARD

Awarded to operators of wastewater treatment plants for outstanding performance and professionalism.

Innovative Facility Design AWARD

Award stresses the economics in design of wastewater facilities.

Project and Professional Excellence AWARD

Recognizes valuable contributions to the in-plant study and solution of an operational problem.

Anyone who is a FWEA member working in Central Florida is automatically considered a member of FWEA **Central Florida Chapter** and is eligible for nomination. All nominations for the FWEA **Central Florida Chapter** Awards are due by **January 15, 2007**. The award nomination forms and instructions can be found at the FWEA **Central Florida Chapter** web site, www.fwea.org. All nominees will be recognized, and awards will be distributed at the quarterly Chapter Luncheon meeting to be held in March 2007.
