

2006 Wastewater Collection System of the Year Award

FWEA wants to recognize your exceptional effort to properly manage, operate and maintain your wastewater collection system. Your peers would like to know how you solved those difficult problems—all you need to do is *tell* us what worked for your system. Nominations are now being accepted for the **2006 Wastewater Collection System of the Year Award**. This is a new award to recognize the important role that collection systems play within communities.

Recognition for these awards will be given
at the

2007 Florida Water Resources Conference at the Orlando Convention Center on
Tuesday, April 17, 2007.
