

## 2020/2021 FWEA Biosolids/Residuals Program Excellence Awards

**The FWEA Biosolids Committee is sponsoring a category of awards recognizing excellence in biosolids management!**

Winners of these awards will be announced at the FWEA Awards Presentation on April 27<sup>th</sup>, 2021 and may be eligible for nomination for the national EPA Exemplary Biosolids Management awards.

**Award Categories are:**

- a. Large Operating Projects, processing greater than 5 dry tons per day
- b. Small Operating Projects, processing less than 5 dry tons per day
- c. Technology Innovation and Development
- d. Research Program
- e. Public Acceptance Program

**These awards recognize, and candidates will be evaluated against, the following criteria:**

- a. Reuse of resources such as nutrients and organic matter found in biosolids or other sludges
- b. Demonstrated energy efficiency and/or cost effectiveness
- c. Demonstrated excellence in program/project management
- d. Technical innovation in the management of biosolids/residuals

**To nominate** a deserving facility/program for the competition, please complete and send the nomination form including all relevant additional information to: Alexander Kraemer at [akraemer@thermalprocess.com](mailto:akraemer@thermalprocess.com)
