

FWEA 2026 **BIOSOLIDS SEMINAR**

Emma Lou Civic Center
1801 NE 6th St, Pompano Beach, FL 33060

September 17, 2026
9:00AM - 3:30PM

4.5 WW PDHs AND 0.45 WW CEUs ARE AVAILABLE FOR SEMINAR ATTENDEES

9:00 AM – 9:30 AM

Adrian Romero, P.E.

*Full-Scale Enhancement of
Anaerobic Digestion with the
Microbial Hydrolysis Process*

9:30 AM – 10:00 AM

Bhargavi Subramanian, Ph.D., EIT

*Case Study of Full-Scale Food Waste
Pre-Processing and Co-Digestion:
Improving Biosolids Treatment and
Enhancing Resource Recovery*

10:00 AM – 10:30 AM

Antônio Martins, Ph.D., EIT

*How Can Drying and Emerging
Thermal Processes Affect PFAS
Levels in Biosolids? Water Research
Foundation Project Results*

10:50 AM – 11:50 PM

Panel Discussion

*Florida's Biosolids Landscape:
Navigating Regulatory and
Market Changes*

1:00 PM – 1:30 PM

**Sumaiya Sharmin, MSc /
Daniel Meeroff, Ph.D.**

*Anaerobic Co-Digestion of
High-Strength Organic Feedstocks:
A Comparative Evaluation of Methane
Production and Process Performance*

1:30 PM – 2:00 PM

Victoria Botto, P.E. / David Socha, P.E.

*Maximizing Community Acceptance
Through Innovative Design of an Urban
Thermal Hydrolysis Facility*

2:20 PM – 2:50 PM

Steven Greseth / Gary Neun

*Dewatering and Drying Alternatives
for Biosolids Volume Reduction:
Lessons Learned in Technology
Selection and Process Optimization*

2:50 PM – 3:20 PM

Mohammad Abu-Orf, Ph.D.

*You Have a Thermal Dryer.
Now What?*

Alternate

**Shyam Sivaprasa, P.E. /
Manny Moncholi, Ph. D., P.E.**

*Global Insights on THP Deployment
for Advanced Biosolids
Management and Energy Recovery*

REGISTRATION RATES

Students \$25

Virtual Attendees \$50

Gov./Utility Employees \$75

Members \$150

Non-Members \$175

SPONSORSHIP OPPORTUNITIES AVAILABLE

SILVER
\$250

GOLD
\$500

*Gold Sponsorship includes
two complimentary tickets*
