

COLLECTION SYSTEMS COMMITTEE

Call for Abstracts!

FWEA CSC is currently collecting presentation ideas for our annual in-person seminar scheduled for February 22, 2023 from 8am - 5pm at the Magnolia Room located in the Pinellas County Parks Department.

Presentation topics focus on elements and processes of collection systems, including but not limited to:

- O&M
- CMOM
- I/I Reduction
- Odor Control
- Smart Sewers
- Asset Management
- Rehabilitation: forcemains, lift stations, conveyance lines, etc

And any other topics relating to collection systems!

Please submit an email with the title, 1-2 paragraph brief description, speaker name and contact information to:

Nicole Little
CSC Program Coordinator
nicole@bldllc.net

Deadline: Nov 1, 2022

Get involved with the FWEA
Collection Systems Committee!
