

# **FWEA USF WaterChats**

## Interactive Networking Opportunity

### **About**

The WaterChats event is a chance for local firms in the water sector to network with potential future hires and provide information on the opportunities they offer. Each registered company will be provided a table and space to set up a marketing booth. \*Registration is required by Friday, March 27, 2026.

#### **Event organizers will provide:**

- Light snacks and refreshments
- Table for booth set up
  - Note: booths will not be equipped with electrical access

#### **Registered Participants Must Provide:**

- Signs, tablecloths, & booth materials
- Merchandise & marketing materials, i.e., swag
- At least 2 representatives at the event
